

Hi there!

My name is Angie Kastle. I am not new to the Vine community, my family has been blessed and involved with Vine since 2003.

I'm excited to teach again and to be able to bring Cultural Geography to your kiddos. It's an amazing subject, to learn about people groups, languages, religions and foods of the world.

I love how God has orchestrated and created all tribes, tongues and nations for His glory. Deuteronomy 32:3 I will proclaim the name of the LORD. Oh, praise the greatness of our God.

This semester we will take 2 weeks on each of the 7 continents. My style of teaching is interactive. There will be a small amount of weekly homework and a report due at the end of the semester.

Here is list that your student will need for the 1st day of class;
