## 7/8 History Class Description

In 7/8 history, we will cover hundreds of years in history starting with the Renaissance period in European history immediately following the Middle Ages. We will "travel" to different parts of the world learning about Renaissance art, science, exploration, innovation, and more!

This class will require students to complete independent reading at home when assigned. For those needing assistance with reading, Amazon offers an audio CD. <a href="https://www.amazon.com/Mystery-History-Renaissance-Reformation-Nations/dp/069202">https://www.amazon.com/Mystery-History-Renaissance-Reformation-Nations/dp/069202</a> 1728

This audio CD is in addition to the textbook, not a replacement.

Students will complete tests and quizzes in class. When homework is assigned, it is the student's responsibility to write it down in their student planner. Large assignments will include essays and quarterly projects. All assignments must be turned in on time in order to receive maximum points.

Communication will be done through email and text as needed.
